Tidy Up Trumbull 2009

Dear Community Member,

We are planning our **8th Annual Tidy Up Trumbull week for April 20 – 25**, to coincide with Earth Day and Arbor Day, and we invite you, your family or your organization to take part. This town-wide clean up and beautification project is organized by the **Trumbull Community Women**, working directly with the Town Parks Commission and the Public Works Department to ensure success. We challenge everyone in town to participate in some way, big or small.

You can help by volunteering manpower (community service hours available), or by donating trees, plantings, work gloves or financial gifts. The following activities typically make up the work done throughout the week:

- | | |
|---------------------|-----------------------------|
| * PICK UP LITTER | * clear hiking trails |
| * rake leaves | * paint park benches |
| * mulch flower beds | * plant trees/flowers/bulbs |

We are currently identifying sites that require work and are happy to receive suggestions. You have the option to plan your own project, which we will support and add to the master schedule, or you can join us at one of our projects. We also have a small fund to offer a matching grant to non-profit organizations for plantings at your projects. This is on a first-come, first-served basis. Please call for details.

Past projects have included plantings and mulching at Beach Memorial Park and Twin Brooks Park, clean up and replace sand at Indian Ledge Playground, large clean-ups along White Plains Road, Dayton Road, Reservoir Rd, and in many town parks and trails.

WHAT CAN YOU DO?

- Volunteer manpower
- Let us know your site suggestions ASAP
- Donate plantings, work gloves, \$\$ towards plantings, mulch, etc.
- We want EVERY organization to participate, please spread the word!

**An Earth Day Fair is planned for April 18 at the Nature and Arts Center on RT 25.
